## MEET ROBIN BURRILL

Over the past 29+ years, my husband, Robert Mathews, and I have shaped our renovation company a high-profile firm known for meticulous design and an in-house team with superior craftsmanship.

In 2022, I was honored to be named to the Top Innovator list by Kitchen and Bath Design News magazine for my contributions to kitchen and bath design. I have been quoted in Forbes and Architectural Digest and a dozen other publications, and my work has been featured in top national trade magazines.

  - Entertainment areas
  - Bedrooms
- What spaces or amenities would accommodate entertaining guests the way I dream of entertaining?
- Where in my home do I go for relaxation, and why?
- Where in my home do I go to spend time with my family or friends, and why?
- What would my dream fitness and wellness routine be, if it were all available in my home ?
- How does lighting in each part of my home affect my productivity or mood?
- How can technology support my daily activities?
- What features in my home contribute to my sense of safety and security, and what improvements are needed?
- What does my home need to align with my environmental and cost-saving goals for energy efficiency?
- What future changes or additions might support my evolving lifestyle or mobility needs later?

# Smart Technology

## INTEGRATIONS

Not only can your home support your dream life, it can anticipate your needs. That's what technology has done to meet and exceed lifestyle aspirations. These tech integrations are just ideas, and the list is far from exhaustive. Don't stop dreaming.

**PET MONITORS:**  
Keep an eye on pets and interact with them remotely via cameras and treat dispensers.

**SMART TVS AND STREAMING DEVICES:**  
Control your entertainment setup with voice commands and apps.

**HOME THEATERS:**  
Systems that manage lighting and sound for an immersive experience.

**AUTOMATED PET FEEDERS:**  
Schedule feeding times and portions for pets.

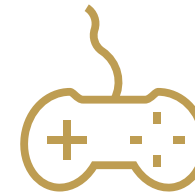

## PET CARE

**HEALTH TRACKERS:**  
Monitor your pet's activity and health with wearable devices.

**SMART PET DOORS:**  
Allow your pets to come and go while keeping your home secure.

**SMART DOORBELLS:**  
Video doorbells that alert you to visitors and allow you to communicate remotely.

## LEISURE

**VIRTUAL REALITY SYSTEMS:**  
Use VR for immersive entertainment and fitness.

**GAMING CONSOLES:**  
Smart devices for enhanced gaming experiences.

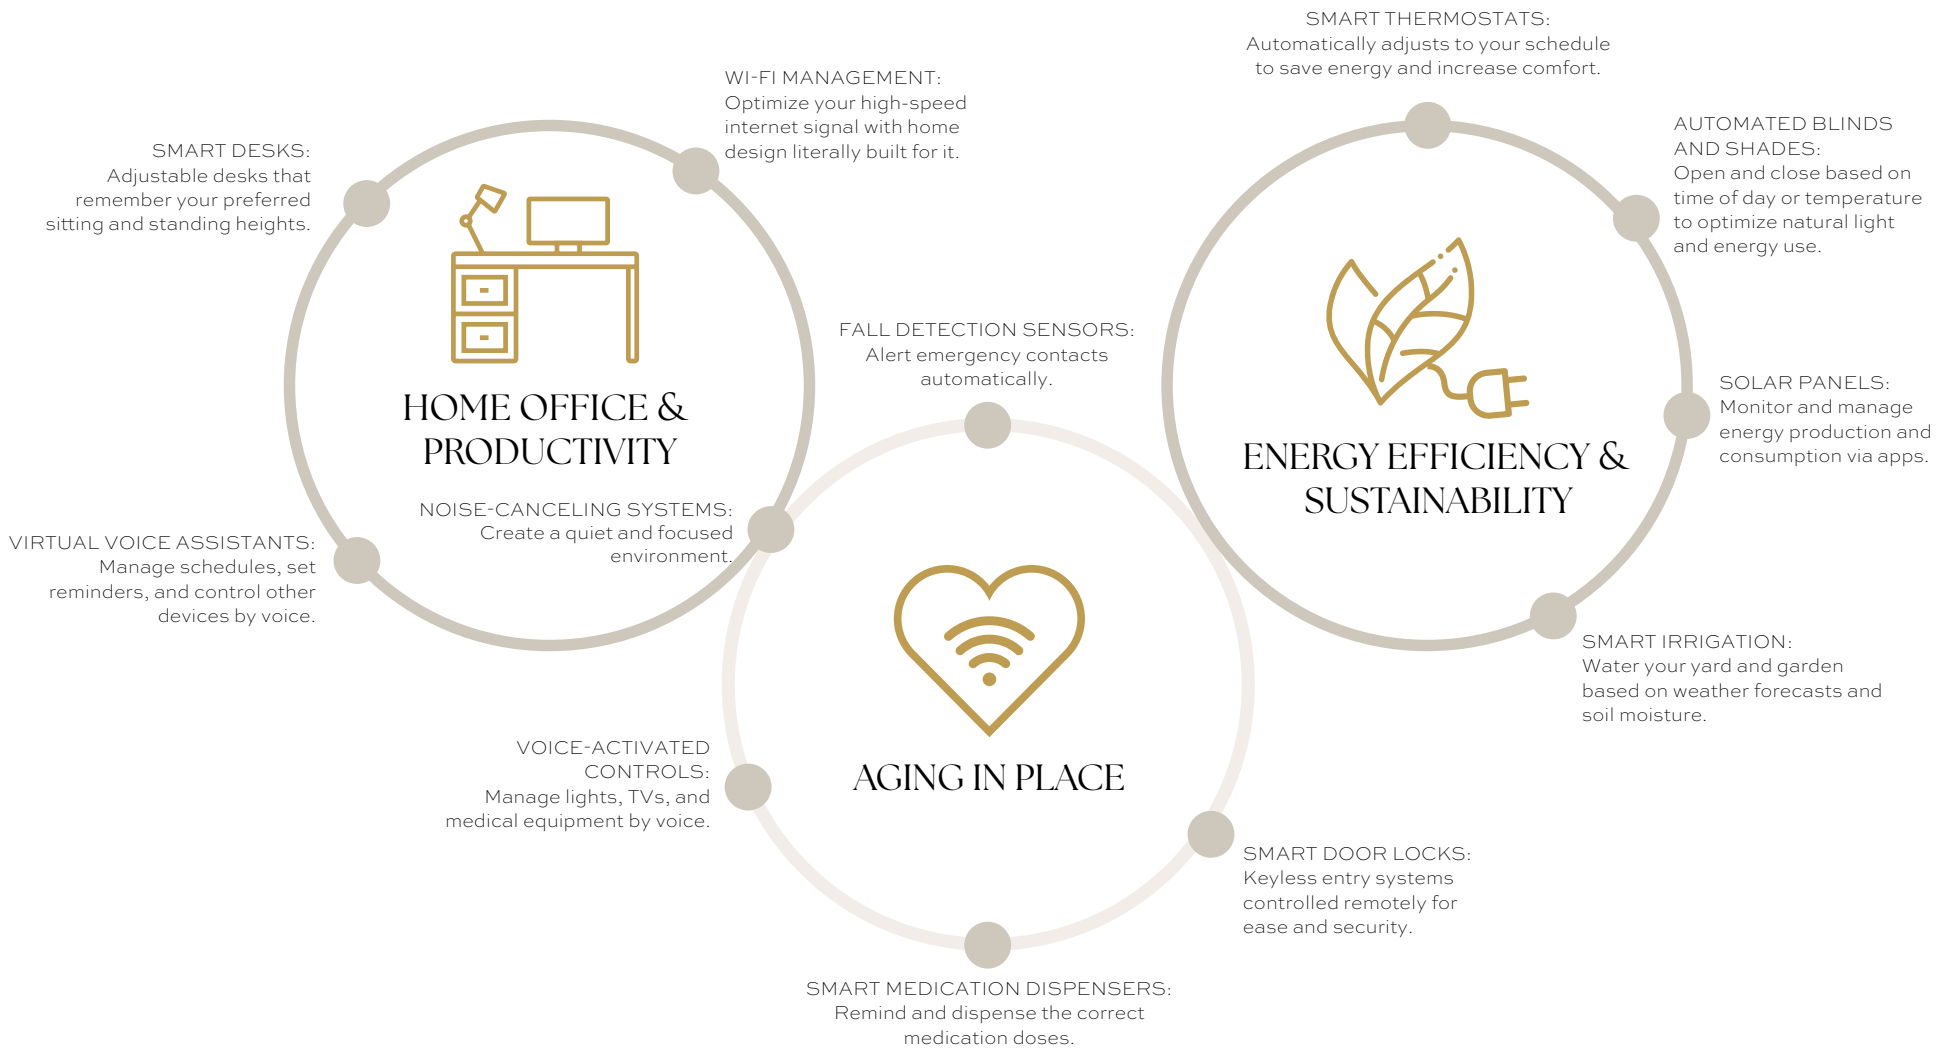

## SECURITY & SAFETY

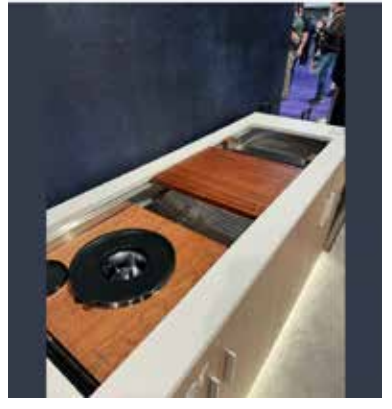

**SECURITY CAMERAS:**  
Monitor your home in real-time from anywhere.

**SMOKE AND CARBON MONOXIDE DETECTORS:**  
Send instant alerts to your phone and automate a call to the fire department.

**SMART LOCKS AND ALARMS:**  
Keyless entry controlled remotely.
